WINTER 2019 NEWSLETTER

Happy New Year from everyone at Marston Green Football Club.

The MGFC Christmas party held at Kingshurst District Labour club was a great success. Santa made his appearance and managed to hand out party bags and goodies to all children on the night. A big thank you to everyone involved in making the party a great event.

While our teams enjoy the Christmas and New Year festivities, teams have also taken part in winter tournaments plus we get ready for the first league matches of the new year on 5th January 2020.

Team News

The U8's played in the Derby county tournament on 22nd December, won their group getting through to the quarter final. U10 Tigers also won the quarter final of the Winter Cup at Catshill on 15th December. Other tournaments were played between Christmas and New Year in Coventry and Bustlehome.

New players welcomed to MGFC in December include Chase Powell (U8's) and Ryan Llewelyn (U10's).

Birmingham City Football Club Ticket Incentive Scheme

Tickets are still available for forthcoming matches.

In association with BCFC, MGFC has access to a limited amount of reduced-price tickets for forthcoming BCFC matches through their ticket incentive scheme. Advertisement Space at Gorse Farm

This has been a huge success for the club. Our new advertisement banners on the pitch side barriers at Gorse Farm are now in place. There are more to come in 2020! Some of our team sponsors and other local businesses have purchased the advertising space which runs for two years. If you know anyone or a local business who might be interested, please contact Craig Rogers 07867 826084 or email sponsorship@mgfc.co.uk

Ground Maintenance and Projects

Plenty of maintenance work has been carried out at the Gorse Farm ground recently. IAC Group generously donated £1000 toward the club's projects. Civil Engineering contractors Healy Ltd also donated a batch of metal fence panels to the club. Well done to Darren Wesson for closing the deals!
